THROUGH PAUL'S PALS, YOU CHANGE THE LIVES OF CHILDREN WITH DISABILITIES!

With your sponsorship dollars, Paul's Pals funds projects that improve life for kids with special needs. Our inspiration is Paul Adelman, who in his 12 short years proved that adventures are possible for every child with heart and determination.

Through our one fund, you can help many organizations doing wonderful work with kids, primarily in Minnesota. Here are just some of the improvements we've funded, thanks to you!

BASEBALL FOR EVERYONE

We've helped develop fields that are friendly to wheelchairs and walkers, including Paul Adelman Miracle Field in St. Paul.

PLAYGROUND JOYS

We've made six accessible playgrounds possible, featuring safe surfaces, roomy layouts, and inclusive activities.

HIGH-TECH LEARNING

We've funded the Paul Adelman Assistive Technology Collection at PACER Center—cutting-edge advances in communication.

MEMORIES FOR HAPPY CAMPERS

At seven camps, we've provided accessible zip lines, canoes, ropes courses, and other upgrades that let kids be kids.

BETTER HEALTH CARE

We've funded hand cycles, hospital lifts, a cancer treatment room, and life-saving equipment for the care of premature infants.

Mission: Paul's Pals enriches the lives of children with disabilities by finding and funding worthy capital projects that promote access to inclusion in everyday adventures.

Paul's Pals is a non-profit organization under section 501(c)(3) of the United States Internal Revenue Code. All donations are tax deductible.
